

# PSYCHOLOGY IN VIENNA AND PRAGUE

---

## **Program Description:**

Explore the epicenter of the beginnings of psychology - Europe. Learn about the far-reaching contributions and global influence of Sigmund Freud, Victor Frankl and Alfred Adler and their lasting impact on the development of psychology. Walk where these pioneers of psychology walked, learn about their journey and imagine what it must have been like to be shaping one of the most interesting and popular disciplines of all time. Visit palaces, castles, parks, museums and exhibits and see their significance and relevance from the past and in the present. Psychology is not simply a major or a theory, it is a breathing, living science - see it up close and in person where it all began!
