

ENGINEERING ECONOMY IN FRANCE + BARCELONA + LONDON

Program Description:

This program offers an opportunity to study in France with other MSU students while sharing outside of the classroom activities and weekend trips with French students. You will learn how to evaluate alternative engineering proposals, tour French engineering companies (including Airbus), and visit a lot of famous European landmarks and sights. The program will be mostly hosted in Albi and Toulouse (Southern France). During the last two weeks of the program the group will visit Barcelona (Spain), Paris (France), and London (UK). A long weekend can be used for personal travel to any place of your choice in Europe.
