

# PLANT AND SOIL SCIENCES IN EUROPE

---

## **Program Description:**

This exciting program leads students involved in Plant and Soil Sciences across northern Europe (Edinburgh, London, Cologne, Amsterdam) to experience agriculture in an international setting. This trip will offer the opportunity to meet farmers, industry experts and faculty involved in plant and soil science research internationally. This program includes visits to sheep farms, global agricultural company headquarters, a tour of an English Premier League football stadium, visits with local farmers across the whole PSS spectrum, and many more will make this truly the trip of a lifetime! Open to all Plant and Soil Science Majors
